

A top-down view of a variety of fingerfood and soups arranged on a white surface. The fingerfood consists of bread slices topped with pesto, cheese, a poached egg, and a tomato slice, garnished with fresh basil. The soups are served in small white bowls and include ingredients like bean sprouts, sliced duck, and other garnishes. A red banner is overlaid on the right side of the image.

FINGERFOOD & SOUPS 2019

BY RESTAURANT ALVIS | HOTEL ALBRECHTSHOF

FINGER FOOD 2019

Select a finger food buffet for receptions, special events or breaks in between or during meetings and conferences according to your wishes and needs. Our finger food is served in glasses, small bowls, little canning jars or pans.

However in case you wish to put together an individual finger food buffet according to your particular needs and wishes, we are also happy to assist and give you advice. Prices upon request.

All finger food constituents are served at a minimum of 10 pieces or portions per kind. All prices include value-added tax (VAT).
